Help us feed more kids!

I am hoping you can help us feed 33,000 meals in our feeding program! Mission Guatemala is currently in the running for receiving \$25,000 in the Chase Community Giving program on Facebook. Chase Bank is allowing people to vote for who should receive the money and voting is closing soon and we need your help!

This is a very easy way to help! If you use Facebook, please help us. It only takes about one minute. Here is how you do it!

1. Click on this link <http://bit.ly/tHzDgZ> for Mission Guatemala
2. Click on the green "Vote & Share" button.
3. You may be prompted to like Chase Community Giving page. Please "like" Chase Giving page.
4. Make sure to click on "Vote & Share" button again.

When you click on the "Vote & Share" button, a new window may open that states: "Chase Community Giving" is request permission to do the following...". This window will have an "Allow" button that needs to be clicked.

Once you click the "Allow" button, a new message will appear with the "Vote & Share" button at the bottom.

Voting is not complete unless you click this "Vote & Share" button and see a message "Thanks for your Vote", and the vote count increases. The link to Vote will appear on your Facebook page as well after you Vote successfully. That is how you know that you have done it correctly, plus next to your photo on the upper center right of the page it will say: 9 VOTES LEFT...or any number if you have voted previously.

Please use two of your remaining votes to vote for our friends:

MAYAN FAMILIES <http://bit.ly/rFKYZE> and AMIGOS DE SANTA CRUZ <http://bit.ly/rX4nkf>

We are all working hard to help the children of Guatemala.

Do all the good you can!
