Family Camps

Camp has been shown to have a dramatic impact on the development of children and youth. Our camps will work toward enriching the lives of children and adults through their focus on a relationship with Jesus Christ and God, friendship, skills, leadership, servant leadership skills and self-esteem while living and being amongst God's creation. We also provide a traditional "camp" experience through recreation and experiencing the out of doors within Christian community.

CAMP PRICING

We have realized families have differing abilities to pay for summer camp. In order to reach more children, we have instituted a voluntary three-tier pricing program. This pricing program is VOLUNTARY and in no way influences the experience children receive at camp. **Tier 1:** Is the actual price of the camp program. **Tier 2:** Covers room and board only, Conference funds are used to help fund the program expenses. **Tier 3:** Is a rate that is highly supplemented by Conference funds to fully fund the program.
