Mark Miller is the composer of many of the hymns in the new *Worship and Song Hymnal*. He will lead us through this new series of hymns and teach us as worship leaders how to use those hymns effectively in our local churches. *Marcia McFee* has graciously agreed to take a break from her preparation for worship leadership at General Conference to spend this day with us. Mark and Marcia together will engage, inspire and teach us as we worship together.

This gathering is hosted by the Board of Ordained Ministry, the Orders of Elders and Deacons, and Bishop Warner H. Brown, Jr.
