California-Nevada Annual Conference, UMC  
Volunteer Opportunities

*UMVIM is one way the United Methodist Church helps any of us reach out to others.....*

*to heal where healing is needed,  
to comfort where comforting is needed,  
to learn where learning is needed.*

*UMVIM, and our United Methodist Faith recognize that we are all children of God, and thus no matter where we live, brothers and sisters in Jesus Christ. The needs of California-Nevada are as much our responsibility as the needs of the people of Chile, Zimbabwe, Tonga, Alaska, or anywhere else.*
